Holla Folks,

I told you I'd drop you a line soon, didn't I? Well, here I am, just as usual - with nothing new or startling. Things with me are about the same as they were when I wrote Sunday - I'm still grounded - but feel fine, and am trying to talk the Doc into putting me back to flying status every day. I think each day that surely the next day will see me back but no - Right now I think tomorrow, sure, but will have to wait & see. At least I'm getting a good rest out of it all - and a chance to catch up on my reading and writing! The only catch is that everytime I sit down to write - my mind goes blank with the result I'm not doing too well at catching up to date on my correspondence.

Sister - you song "Mairzy Doats" has at last reached us over here. A new crew brought it over last month, and now - some one else has received the sheet music for it so we are getting pretty hip to it - I agree - sorta silly but catchy. We have one boy in our tent "Mack" who can play a Comet and with Jim on the Clarinet - we get the tune quick! - Me - I'm trying to learn to play a Sweet Potato! So far, I can do the scale! - Such progress.

Well, this is the end of this, but maybe I'll get the urge again soon.

Lots of love & keep em crossed! Frank
